

Fanhai International School of Finance

Elite Master of Finance Program

Introduction

The Elite Master of Finance Program was a full-English program launched in 2017. What set our EMF program apart are our commitment to instill our students the highest ethical standards and a practice-based curriculum that offers an international perspective on the finance industry. Our students will not only have a strong grasp of financial knowledge, but also integrity and real-world problem-solving skills that will enable them to embark on a career in finance – be it investment banking, wealth management, private equity or other sectors – as soon as they graduate.

Duration: 2 years for degree program. Visiting students program is based upon individual modules.
