Application Rounds

Round 1: November 5, 2026 – December 10, 2026

Round 2: March 1, 2027 – March 31, 2027

Note: In Round 1, applicants can apply for the Chinese Government Scholarship (High-Level Postgraduate Program) and the Shanghai Government Scholarship for International Students.

Application and Admission Procedures

Step 1 Fill Out the Online Application.

Please register on and then log into Fudan's Online Application System for International Students: https://istudent.fudan.edu.cn/apply for application. Applicants are required to register an account first, and then log in to select the desired program for application. Fill out the application and upload

the application materials (please refer to Application Materials section). Once completed, please make sure to click the “Submit” button.

Step 2 Pay the Application Fee.

The application fee is 800 RMB (online payment, non-refundable). The application is considered invalid without the application fee.

Step 3 Assessment

Following the review of application materials by the respective departments, qualified applicants will be subject to an assessment. For specific details regarding the assessment method, content, and schedule, please contact the department to which you have applied directly.

Step 4 Check Admission Results.

Applicants can check admission results for Round 1 and 2 in the application system starting from early March 2027 and late June 2027 respectively.

Step 5 Download Admission Notice and Check Scholarship Results.

Admitted students can download the official electronic admission notice through the application system and check their email promptly for scholarship results.

Application Materials

1. Valid Passport Information Page

The passport must be valid until March 1, 2028, or later.

2. Highest Academic Diploma or Degree Certificate.

Versions in languages other than Chinese or English must be accompanied by notarized translations. Applicants for the Master's program must submit the Bachelor's Degree Certificate; applicants for the Doctoral program must submit the Master's Degree Certificate. Applicants who obtained their degrees from universities outside China are, in principle, required to submit legally valid academic degree certificates issued by overseas educational institutions, certified by relevant professional agencies (specifically, only the "Foreign Academic Degree Certification " issued by the Chinese Service Center for Scholarly Exchange under the Ministry of Education of China is accepted). Recent graduates must submit the original document of their expected graduation certificate issued by their current universities, and also submit the aforementioned degree certification report before or after enrollment registration.

3. Full Transcripts of Highest Level of Education.

Notarized translations are required for versions in languages other than Chinese or English.

4. Two Recommendation Letters.

The recommendation letters must be original documents written in Chinese or English by a professor or associate professor (the recommender's signature is required). During the application process, applicants may upload the recommendation letters

themselves, or choose to "send a link to the recommender" for them to complete and submit the letters online.

5. Proof of English Proficiency.

TOEFL iBT score of ≥ 90 (New TOEFL ≥ 4.5), or IELTS ≥ 6.5, or Duolingo English Test ≥ 110 , or PTE Academic ≥ 61 . Applicants whose native language is English or who have completed, or are completing, a degree program taught and assessed entirely in English can be exempt from this requirement.

Note: Some programs may require higher English scores or GRE/GMAT results. Please contact your target department for specific requirements.

6. Nationality & Identity Documents.

Applicants who were originally Chinese citizens and have subsequently acquired foreign nationality must submit a Certificate of Renunciation of Chinese Nationality issued by the People's Republic of China and the proof of cancellation of Chinese household registration.

Note：Applicants who previously held a Travel Document or an Exit-Entry Permit of the People's Republic of China must provide the corresponding material above.

7. Proof of Non-Criminal Record.

8. Statement of Financial Capacity or Financial Support.

If the applicant is sponsored by others, please fill out the Statement of Financial Support for International Students, and submit relevant documents.

9. Foreigner Physical Examination Form.

Applicants applying for scholarships must provide the Foreigner Physical Examination Form. The original document is required and must be in Chinese or English. The physical examination results are valid for 6 months. Applicants currently residing in China who hold a valid Foreigner's Residence Permit or a Foreign Permanent Resident ID Card may submit copies of these documents in lieu of the Foreigner Physical Examination Form.

10. Other Supporting Materials.

Applicants may submit additional materials which may demonstrate comprehensive abilities along with the required documents, such as award certificates or published papers.

Note: Please carefully read the attachment Instructions on Filling in and Uploading Documents in the Online Application System before application.

Tuition (RMB/Year)

50,000 - 458,000 RMB per academic year

The above tuition applies to full-time programs only. Please contact your target department for part-time program fees. These figures are for reference only and subject to the official rates at the time of enrollment.

Instructions on Filling in and Uploading Documents in the Online Application System

Instructions on filling in the application system

1. It is recommended that the Windows operating system and Google Chrome browser be used for the online application system to ensure proper page display and avoid issues during the application process.

2. Applicants for doctoral programs must contact a prospective supervisor before submitting an online application. Please submit the online application only after the supervisor has agreed to accept your application. For details, please refer to the Fudan University 2027 Contact Information for Schools/Departments/Institutes of Postgraduate Admission for International Students.

3. Within the same application round, only one program may be applied for at a time. If you are not admitted, you may apply for another program again within the valid application period.

4. Please carefully select whether to accept program reassignment. Selecting "Yes" means that you are willing to be considered for admission to another program or research area within the same school or department (at the same level of study only).

5. Please correctly fill in "Passport Name", "Passport Number", and "Date of Expiry of Passport". Only ordinary passports valid until March 1, 2028, or later are accepted.

6. If you are graduating in the current academic year, please select "Student" in the field "Occupation/Profession".

7. Please correctly and completely fill in the information in the "My Contact Information" section, including Contact Person/Receiver, Phone Number, Address, and Postal Code, so that the university can contact you. Addresses in Chinese mainland should be written in Chinese, while addresses in other countries or regions should be written in English.

8. Please fill in your complete "Education Background" from primary school until the time of application in chronological order. Please use the "Add" button to add each education experience.

9. "Family Members" is mandatory. Please correctly and completely fill in the information of your parents and other family members, and set one family member as the emergency contact person. Applicants from step-families should include information for both birth parents and step-parents. Please use the "Add" button to add family members.

10. "Contact Person in China" refers to an individual residing in China whom the university can contact regarding matters related to

the applicant's studies in China. If you do not have one, you may select "No Contact Person in China".

11. The "Personal Statement" must be written in Chinese or English, with a maximum of 1,500 characters including punctuation marks and spaces for Chinese and 5000 characters including punctuation marks and spaces for English. If it exceeds this limit, it may be uploaded under "Supplementary Materials". The content should include, but is not limited to, the applicant's educational and work experience, academic research achievements, research plan during postgraduate study, and personal development goals after graduation.

12. Two recommendation letters are required. Applicants who choose to upload the letters themselves must upload color scanned copies of the original documents bearing the recommenders' handwritten signatures; electronic signatures are not accepted. If you are unable to upload the recommendation letters directly, please select "send a link to the recommender" and provide the recommender's name and email address. The application system will automatically send an email to the recommender. Recommenders must submit the letters within 15 days and no later than the application deadline. If you choose to send the link to the recommender, please log into the application system after formally submitting your application to check the completion status of the

recommendation letters. If the recommender's information was entered incorrectly or if the recommendation letter needs to be resubmitted or revised, please contact isoadmission@fudan.edu.cn via email for assistance after submitting your application.

13. Applicants applying for scholarships must provide the original Foreigner Physical Examination Form. It must be in Chinese or English and must be completed by a hospital with all examination results and conclusions. The examination results are valid for 6 months. Applicants currently residing in China who hold a valid Foreigner's Residence Permit or a Foreign Permanent Resident ID Card may submit these documents in lieu of the Foreigner Physical Examination Form.

14. Under "Other Information", for the attachment to "Published Works and Papers", only an abstract needs to be uploaded; the full text is not required.

15. If you are unable to provide the "Proof of Non-Criminal Record" and "Proof of Financial Support" within the application period, or if you need to consult regarding special circumstances, please contact isoadmission@fudan.edu.cn via email and explain your situation.

16. Some programs require applicants to meet specific requirements set by the relevant school or department before applying. If the system indicates that an admission code is required for the program, please contact the school or department. For details, please refer to

the Fudan University 2027 Contact Information for Schools/Departments/Institutes of Postgraduate Admission for International Students.

17. During the application process, you can click "Save" at any time, and all entered information will be retained. If you wish to continue editing, please access the application through "My Application".
