

2020 Fudan University Undergraduate Programs for International Students

Tuition	Majors	Research Area/Program	School/Department	Notes	Written Exam
Liberal Art 23000RMB/Year	Chinese Language (Language and Culture)	Chinese Language (For Foreigners)	International Cultural Exchange School	(1)Only for international students (2)Change of major not allowed	1. Chinese 2. English
	Chinese Language (Business Chinese)				
	Chinese Language and Literature	Chinese Language and Literature	Department of Chinese Language and Literature		1. Chinese 2. Maths 3. English
	Chinese Language				
	History	History	Department of History		
	Cultural Heritage and Museology		Department of Cultural Heritage and Museology		
	Philosophy	Philosophy	School of Philosophy		
	Religious Studies				
	Law	Law	Law School	Some courses taught in English	
	English	English	College of Foreign Languages and Literature		
	Translation	Translation			
	French	French			
	German	German			
	Japanese	Japanese			
	Russian	Russian			
	Korean	Korean			

Tuition	Majors	Research Area/Program	School/Department	Notes	Written Exam
Liberal Art 23000RMB/Year	Journalism	Journalism and Mass Communication	School of Journalism	(1)Divided into different orientations after entering school: ①Economics ②Sociology ③ Electronic information and Technology ④Chinese Language and Literature ⑤Law ⑥ International Politics ⑦Political Science and Administration ⑧ Administrative Management; (2)Math Courses required by Orientation①②③; (3)Physics Course required by Orientation③	1. Chinese 2. Maths 3. English
	Broadcasting & TV Journalism				
	Mass Communication				
	Advertising				
	Political Science and Public Administration	Social Science Experimental Class	School of International Relations and Public Affairs	(1) Math courses required; (2) Some courses taught in English	
	Administrative Management				
	International Politics				
	Sociology		School of Social Development and Public Policy		
	Social Work				

Tuition	Majors	Research Area/Program	School/Department	Notes		Written Exam
Liberal Art 23000RMB/Year	Tourism management	History / Economics and Management Experimental Class	Department of Tourism	(1)Math courses required; (2)Some courses taught in English		1. Chinese 2. Maths 3. English
	Economics	Economics	School of Economics			
	International Economics and Trade					
	Finance					
Liberal Art 54600RMB/Year	UIPE (English-taught)	UIPE (English-taught)		(1)Math courses required; (2)Taught in English (3)Change of major not allowed	No Written Exam	
Liberal Art 23000RMB/Year	Economics and Management Experimental Class (Including Accounting, Marketing and Business Administration)	Economics and Management Experimental Class	School of Management	(1)Math courses required; (2)Some courses taught in English; (3)Divided into different orientations based on academic performance in the third year		1. Chinese 2. Maths 3. English
Science 26000RMB/Year	Mathematics and Applied Mathematics	Mathematics	School of Mathematical Sciences	Maths and Physics courses required		1. Chinese 2. Math 3. English 4. Science (Physics, Chemistry and Biology)
	Information and Computing Science					
	Software Engineering	Software Engineering	Software School	Math and Physics courses required	Color Blindness not appropriate	
	Microelectronics Science and Engineering	Microelectronics Science and Engineering	School of Microelectronics		Color weakness and color blindness not appropriate	

Tuition	Majors	Research Area/Program	School/Department	Notes		Written Exam
Science 26000RMB/Year	Physics	Natural Science Experimental Class	Department of Physics	Math, Physics, Chemistry and Biology courses required	Color weakness and color blindness not appropriate	1. Chinese 2. Math 3. English 4. Science (Physics, Chemistry and Biology)
	Chemistry		Department of Chemistry			
	Biological Science		School of Life Sciences			
	Biotechnology		Department of Material Science			
	Material Physics					
	Material Chemistry					
	Electronic Science and Technology		Department of Environmental Science and Engineering			
	Environmental Science					
	Computer Science and Technology	Technical Science Experimental Class	School of Computer Science	Math and Physics courses required	Color Blindness not appropriate	
	Electronic Information Science and Technology		School of Information Science and Technology		Color weakness and color blindness not appropriate	
	Biomedical Engineering					
	Communication Engineering					
	Electrical Engineering and Automation					
	Optical Information Science and Engineering					
	Theoretical and Applied Mechanics		Aeronautics and Astronautics		Department of Aeronautics and Astronautics	
	Aircraft Design and Engineering					

Tuition	Majors	Research Area/Program	School/Department	Notes	Written Exam
Medicine (Chinese-taught) 42000RMB/Year	Clinical Medicine (5-year)	Clinical Medicine (5-year)	Shanghai Medical College School of Clinical Medicine	(1)Color weakness and color blindness not appropriate; (2)Math, Physics, Chemistry and Biology courses required; (3)Some courses taught in English	1. Chinese 2. Math 3. English 4. Science (Physics, Chemistry and Biology)
	Pharmacy	Pharmacy	Shanghai Medical College School of Pharmacy		
	Nursing	Nursing	Shanghai Medical College School of Nursing	(1)Color weakness and color blindness not appropriate; (2)Math, Chemistry and Biology courses required; (3)Change of major not allowed	
Medicine (English-taught) 75000 RMB/Year	Clinical Medicine (6-year) (M.B.B.S.)	Clinical Medicine (6-year) (M.B.B.S.)	Shanghai Medical College School of Clinical Medicine	(1) Only for international students; (2) Color weakness and color blindness not appropriate; (3) Math, Physics, Chemistry and Biology courses required; (4) Taught in English; (5)Change of major not allowed	No Written Exam

Note:

1. The tuition fee standard is for reference only. The exact amount of tuition fees will be announced upon enrollment.
2. Except for the majors with specific years of study, the standard duration of other majors is 4 years.
3. For an introduction to Fudan University and various departments and majors, please visit www.fudan.edu.cn.
4. Some of the majors implement the “2+X” teaching and training program. The specific training programs for each major should be based on the contents announced on the website of the school's Academic Affairs Office (www.jwc.fudan.edu.cn).
5. The information above is subject to change and may be updated at any time. Please regularly check the website of International Students Office.
